

# KRISH GOHEL

Full Stack Developer | App Developer

+91 9558566847 | krishgohel173@gmail.com | LinkedIn | GitHub

## OBJECTIVE

Aspiring Full Stack Developer with expertise in MERN, Flutter, and ASP.NET. Passionate about building scalable applications and solving real-world problems. Seeking opportunities to leverage my technical skills and contribute to innovative projects.

## TECHNICAL SKILLS

Programming Languages : Java , Python , SQL  
Front-End : HTML, CSS, JavaScript, ReactJS, Flutter  
Back-End : NodeJS, ExpressJS, ASP.NET  
Databases : MS SQL , MongoDB  
Fundamentals : DSA , OOP

## SOFT SKILLS

Problem-Solving  
Team Collaboration  
Focus & Discipline

## PROJECTS

### Movie Ticket Booking System | 2nd Year | Sem : 4

- Tech Stack: MERN (MongoDB, Express, React, Node.js), JWT, bcryptJS
- Developed a fully responsive and scalable movie ticket booking website.
- Implemented secure authentication (JWT & bcrypt) for users and admins.
- Designed an efficient search, scheduling and booking system.

### Tailor Management Application | 3rd Year | Sem : 6

- Tech Stack: Flutter, DOTNET Web API, MS SQL
- Developed a multi-shop Tailor Management System for mobile and tablet devices. Allows shopkeepers to register accounts and manage their customers efficiently.
- Features include adding customer measurements, taking orders, generating bills, and data analysis.
- Implemented secure Jwt authentication.
- Provides insights and analytics on orders, revenue, and customer preferences.

## EDUCATION

Darshan University - 2022-2026  
B.Tech | Computer Science & Engineering - CGPI: 8.34

Shakti School - 2022  
HSC | GSEB - Percentage: 68.92%

Maruti Motherland School - 2020  
SSC | GSEB - Percentage: 75.67%

## CERTIFICATIONS

MEAN Development Certificate - Dec 2023 | Hackathon | Darshan University  
SQL (Basic & Intermediate) - HackerRank | Aug 2024  
Python for Data Science - NPTEL | Oct 2024  
Web Development Internship Completion Certificate - Oasis Infobyte | Oct 2024
