OBJECTIVE

Aspiring Full Stack Developer with expertise in MERN, Flutter, and ASP.NET Core. Passionate about building scalable applications and solving real-world problems. Seeking opportunities to leverage my technical skills and contribute to innovative projects.

TECHNICAL SKILLS

Programming Languages : Java Core , C# , SQL
Web-Technologies : HTML, CSS, JavaScript, ReactJS, ASP.Net Core MVC
Back-End : NodeJS, ExpressJS, ASP.NET Web API
Mobile Development : Flutter
Databases : MS SQL
Core Concepts : DSA , OOP

SOFT SKILLS

Problem-Solving
Team Collaboration
Focus & Discipline
Time Management

PROJECTS

Movie Ticket Booking System | 2nd Year | Sem : 4

- Tech Stack: MERN (MongoDB, Express, Reactjs, Nodejs), JWT, bcryptJS
- Developed a fully responsive and scalable movie ticket booking website.
- Implemented secure authentication (JWT & bcrypt) for users and admins.
- Designed an efficient search, scheduling and booking system.

Coffee Shop Management System | 3rd Year | Sem : 5

- Tech Stack: ASP.NET Core MVC & Local SQL Server DataBase
- Implemented full CRUD operations with search functionality across all modules, URL encryption to enhance data security in client-server communication, and export module to generate Excel sheets from table data.
- Added login/signup system for Users access control using middleware and ASP.NET Core Identity.
- Designed an user dashboard displaying recent records and real-time counts of orders and bills.

Tailor Management Application | 3rd Year | Sem : 6

- Tech Stack: Flutter, DOTNET Web API, MS SQL
- Developed a multi-shop Tailor Management System for mobile and tablet devices. Allows shopkeepers to register accounts and manage their customers efficiently.
- Features include adding customer measurements, taking orders, generating bills, and data analysis.
- Implemented secure Jwt authentication.
- Provides insights and analytics on orders, revenue, and customer preferences.

EDUCATION

Darshan University - 2022-2026

B.Tech | Computer Science & Engineering - CGPI: 8.34 (Sem-6)

Shakti School - 2022

HSC | GSEB - Percentage: 72.34%

Maruti Motherland School - 2020

SSC | GSEB - Percentage: 75.67%

CERTIFICATIONS

Python for Data Science - NPTEL | Oct 2024
Web Development Internship Completion Certificate - Oasis Infobyte | Oct 2024
SQL (Basic & Intermediate) - HackerRank | Aug 2024
MEAN Development Certificate - Dec 2023 | Hackathon | Darshan University
